

ULTRAFLOW[®] PLUS

UltraFlow[®] Booster

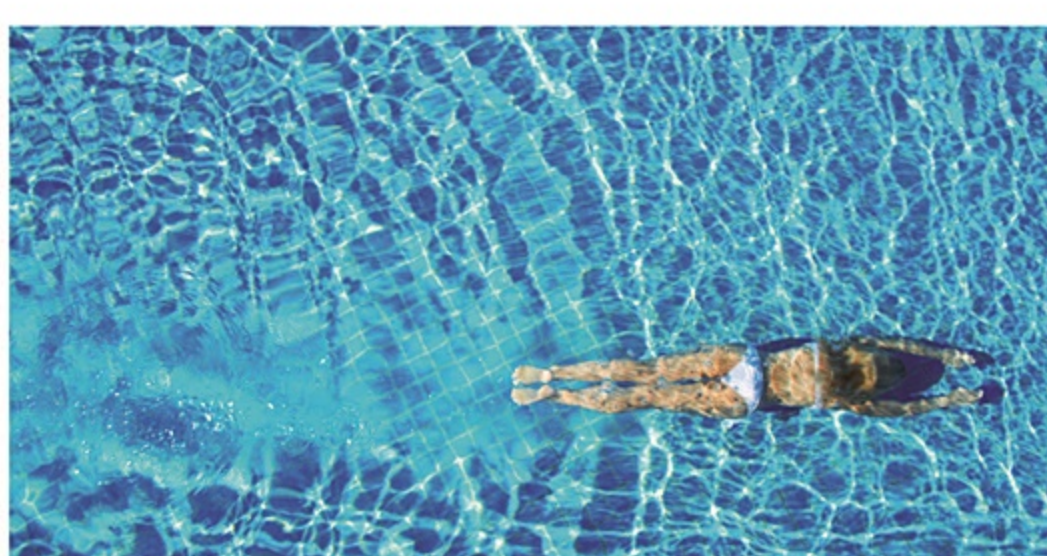

ULTRA - EFFICIENT, ULTRA - QUIET AND ULTRA - RELIABLE

The **UltraFlow** delivers energy-saving performance, ease of maintenance, service and long-term reliability.

The **UltraFlow** pump is a pump you can count on: it works twice as hard and delivers superior performance.

Exceptionally quiet, rapid-priming and versatile, this pump is designed to exceed all your expectations.

- Unique "Cam & Ramp™" locking lid is easy to remove and replace with a simple quarter turn.
- Very large strainer basket for ease of maintenance and extends cleaning intervals.
- Thick walled body for quiet operation.
