

# SharkVAC XL™ by HAYWARD®

ROBOTIC POOL CLEANER

Cleans Pool Floor  
*and* Walls with  
Computer Efficiency.

SharkVAC XL is built with proven TigerShark technology and the highest quality components. A sleek, low-profile design and *easy* top-access filter cartridges are a few of the great features that give SharkVAC XL added bite.

CLEANERS

Top access allows for quick debris removal and easy cleanup.

## SharkVAC XL™ by Hayward® is your pool's most valuable asset.

SharkVAC XL uses up to 94% less energy than most pressure cleaners. The energy used by a standard light bulb is all that's needed to power this innovative cleaner! Hayward's SharkVAC XL is a floor and wall cleaner that delivers performance and price in a uniquely robust design.

SharkVAC XL's high-quality floor and wall cleaner features and benefits:

- Top-access filter allows quick debris removal and easy cleanup. Just remove and rinse with a garden hose.
- Microprocessor program for fast, energy efficient cleaning pattern
- Saves you money. Runs separately from the pool's filtration system so there is less backwashing!
- Cleans all residential pool surfaces, gunite, vinyl or fiberglass up to 20 x 40 ft.

| SharkVAC XL                 |                                 |
